ICD-9-CM Coordination and Maintenance Committee Meeting
Tentative Agenda (Diagnosis)

September 30, 2005

This list of tentative agenda topics is not final. The final topics will be available in printed form at the meeting. The topics also will subsequently be posted to the NCHS web site, along with the minutes from the meeting, at the ICD-9-CM Coordination and Maintenance Committee page on the NCHS web site. The NCHS web site for Classifications of Diseases and Functioning and Disability is available at the URL below.

<http://www.cdc.gov/nchs/icd9.htm>

NOTICE: Because of increased security requirements, (CMS) has instituted stringent procedures for entrance into the building by non-government employees. Persons without a government I.D. will need to show an official form of picture I.D. (such as a drivers license), and sign-in at the security desk upon entering the building.

Those who wish to attend a specific ICD-9-CM C&M meeting in the CMS auditorium must register to be added to the meeting visitor list. Those wishing to attend the September 29-30, 2005 meeting must register by September 26, 2005 for inclusion on the visitor list. This visitor list will be maintained at the front desk of the CMS building and used by the guards to admit visitors to the meeting. Those who attended previous ICD-9-CM C&M meetings will no longer be automatically added to the visitor list. You must request inclusion of your name prior to each meeting you attend.

It is necessary to register on-line at:

<http://cms.hhs.gov/events>

NOTICE: This is a public meeting. However, because of fire code requirements, should the number of attendants meet the capacity of the room, the meeting will be closed.
